

A black crow is perched on a thick, mossy tree branch. The background is filled with out-of-focus autumn leaves in shades of red, orange, and brown, creating a bokeh effect. The lighting is soft and natural, suggesting an overcast day.

Manifestation Prayer
Seasonal Prayer – September 2020

Glastonbury Goddess Temple Madrons

Returning

Our Lady shimmers in the waning of the mist
Revealing Her contours in the land
Tor, mound and holy springs
Waiting abundantly with Her love
Until our sacred return She brings.

Manifestation Prayer

While reading this prayer, you might like to take some time to light a candle and incense at your altar. In the Avalonian tradition, at this time of year we honour the Mother of the Harvest grain, spreading Her beautiful golden bounty all over the land. In the tradition of the 9 Morgens of Avalon we call to Mystress Glitonea, Mother Morgen. The miracle of the Goddess is that of manifestation, through Her example we know that all of our dreams have the potential to be called into being. Speak this prayer, feeling your heart centre opening and expanding, whenever you want to manifest.

I have the power to heal my wounds
I have the power to heal my pain
I have the power to manifest my dreams
I am renewed in your love
I call to you, Mystress Glitonea
Golden Grain Mother of the Land
May the light of your love
Bless my life this day.

Blessed Be.
